Septembrer2022/ N°1

Dear parents,

As I told you at back-to-school meetings, the connection between the school and you is one of the benchmarks that children rely on to achieve their pupil profession and to flourish in school. The letter to parents, back in September, helps knit this link.

You will receive it regularly throughout the school year. It will inform you of the highlights and important deadlines. It you will be sent by email and made available on the website of the lycée.

English corner

During the first week, English teachers have assessed our pupils in order to support them as best as possible. The youngest are orally assessed whereas CE1 pupils are assessed on their reading level and the new and former EAL pupils take reading and writing tests.

In the meantime, our English department organised teaching sessions and a touching ceremony to commemorate the Queen's life. English and DNL classes began on Monday 12th September.
