

April 2016

Dear Terminale Student

Letters for UK universities confirming Baccalauréat results

If you require a letter for a UK university confirming your baccalauréat result, you need to complete the form below in full and bring it to the British Section Secretary's office (opposite the Vie Scolaire in the André Maurois building, First Floor) with your results sheet by **30th June 2016** at the latest. Please bring one form for each university concerned. Members of staff will also be available to accept forms on the BAC results day.

Please note that we will be unable to process the letter unless you provide the relevant information first. Please return with a copy of your results after they have been published for your confirmation letter. We need full address details including postcodes to avoid delays.

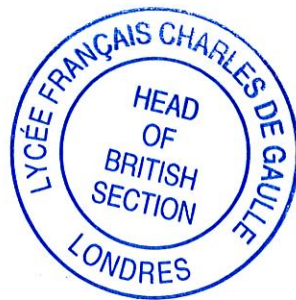

Thank you for your help.

Good luck with your exams!

Best wishes

Mr K. Zane
Head of the British Section
