

FINANCIAL REGULATIONS 2025-2026

(As modified and approved by the *Conseil d'Établissement* of 2nd July 2025)

Tuition fees and school meal fees are due for all class levels and irrespective of nationality.

By enrolling their child(ren) at the Lycée Français Charles de Gaulle de Londres (hereinafter referred to as "the School"), legal guardians unreservedly accept all the school's rules, regulations and policies, including its financial regulations, and undertake to pay all fees relating to their child(ren)'s education.

The execution of the acceptance slip «policies and procedures» of their child(ren), presented annually by the School merely reiterates this commitment.

A child's legal guardians are solely and ultimately responsible for the payment of fees and other amounts payable to the School, including when their employer covers the child's school fees.

Non-payment of fees and other amounts payable will automatically result in the child being excluded from the School, except as otherwise decided by the *Proviseure* of the School in specific circumstances.

Fees are set annually; they are displayed in the School premises and published on the School website.

Fees that have been set by the *Directrice Générale* of the *Agence pour l'enseignement français à l'étranger* ("AEFE") cannot be amended by the School.

TARIFFS	INVOICE PERIODS
<i>Fees set by the Directrice Générale of the AEFE following proposal by the School</i>	
Tuition fees	Terms 1, 2 and 3
School meal fees	Terms 1, 2 and 3
Exam fees	Terms 2 (may differ if the pupil joins the School during the school year)
Initial registration fees for new pupils ("DPI")	Upon registration
<i>Fees set by the Proviseure of the School upon delegation of authority by the Directrice Générale of the AEFE</i>	
School trip fees	15 calendar days before departure at the latest
Replacement of the school meal card, access card (security) and keys	When lost
Lost correspondence booklet	When lost
Damage: invoiced for the replacement value or repair, rounded up to the nearest pound	Payment due upon receipt of invoice
Books from the School library that have been lost or never returned	Payment due upon receipt of invoice
Fees for supervising pupils with a packed lunch (Wix Primary School)	Terms 1, 2 and 3
Morning day-care (South Kensington Primary School)	Terms 1, 2 and 3
Applications to American universities, Duke of Edinburgh's award, preparation fees for Sciences Po admission tests, other	Payment due upon receipt of invoice

1- Tuition fees and school meal fees

Annual tuition fees and school meal fees are charged and invoiced as per the following breakdown:

	Period	Percentage invoiced
Term 1 (T1)	September-December	40%
Term 2 (T2)	January-March	30%
Term 3 (T3)	April-June	30%

Except as otherwise expressly stated in these Financial Regulations, no refunds or reductions in tuition and/or school meal fees will be granted.

Accordingly (and without limitation), no refunds or reductions in tuition and/or school meal fees will be granted in the event of a pupil's absence, teachers' absence, staff or transport workers' industrial action, school outings and school trips, inclement weather, or absence from lessons when exams are taking place.

1.1 Tuition fees

a. General Principle: Fees are due in full for each term attended or partially attended.

b. Exceptions:

Arrivals

1. Child transferring from another AEFE member school during the school year: tuition fees for the term will be invoiced and are due in their entirety. A prorata reduction based on the time actually spent at the School may be granted to the pupil's family following a written request and presentation of supporting evidence.
2. Child offered of a place by the School during the school year,
3. Admission during the school year owing to a legal guardian's professional transfer (subject to the School receiving evidence of such transfer from the employer),

provided that in the above-mentioned instances 1, 2 and 3, fees will be payable (and invoiced accordingly) from the date on which the School proposes that the child starts at the School.

Departure to Belleville Wix Academy (bilingual programme) or Holy Cross Catholic Primary School (bilingual programme)

If a pupil from the bilingual programme on a parity basis at the *Ecole de Wix* is enrolled by his/her legal guardians in the bilingual programme of Belleville Wix Academy, or if a pupil from the bilingual programme on a parity basis at the *Ecole Marie d'Orliac* is enrolled by his/her legal guardians in the bilingual programme of Holy Cross Catholic Primary School,

- the legal guardians of the pupil will have to pay the School the full annual tuition fees for such pupil. The legal guardians will not be entitled to any public benefits or financial assistance (from their borough of residence or any other entity) to pay these fees.
- The pupil will be automatically unenrolled and removed from the Schools' records

Other Departures

1. Child transferring to another AEFE member school during the school year,

2. Child leaving the School during the school year owing to a legal guardian's professional transfer (subject to the School receiving evidence of such transfer from the employer), or owing to a *force majeure* event (left to the appreciation of the *Proviseure* of the School after receiving a written letter explaining the relevant circumstances),

N.B.: in the above-mentioned instances 1 and 2, departures from the School after the 1st of May will not be taken into account.

3. Child removed from the School during the school year (for a period of at least 4 consecutive weeks excluding school holidays) due to illness or serious injury, if accompanied by a doctor's note,
4. Exclusion of a pupil following disciplinary measures.
5. Departure of the child within four weeks of the start of the school year (except, as previously indicated, in the event of enrolment in the bilingual programme of Belleville Wix Academy or the bilingual programme of Holy Cross Catholic Primary School) .

The granting of the exceptions listed in the paragraphs "Arrivals" and "Other departures" are the sole prerogative of the *Proviseure*, who will assess each case individually based upon supporting documentation provided by the legal guardians of the pupil.

When, after reviewing supporting documentation, the School agrees that the circumstances raised by legal guardians do constitute one of the exceptions listed in the paragraphs "Arrivals" and "Other departures", the School will issue an invoice for the partially attended term. Tuition fees will be prorated, based on the pupil's school attendance, expressed in fortnightly periods and rounded up to the nearest fortnightly period. In the case referred to in exception 5. of the "Other Departures" paragraph above, the *Proviseure* may exceptionally decide to cancel the invoice for the corresponding term.

1.2 School meal fees

a. **General principle:** School meal enrolment is for a full school year.

b. **Exceptions:**

- Exceptions related to the pupil's absence:

In the event of a pupil's permanent departure (voluntary withdrawal) from the school during the term, formalised by a leaving form (*fiche de départ*), or permanent exclusion from the school, and provided that the parents have made a request within one month of the pupil's departure from the school, the school will reduce the school meal fees by 15-day periods for the term thus started, in order to reflect the pupil's actual attendance time. Only absences of more than 15 days will be taken into account.

- Exceptions related to a change in school lunch regime:

In the event a pupil enrolled in the school meal service opts out of the service (switches to the *régime externe*), as they meet one of the circumstances listed in the School Rules, the school will reduce the school meal fees by 15-day periods for the term thus started, in order to reflect the time the pupil has been enrolled in the school meal service. Only periods of enrolment on the external regime (*régime externe*) exceeding 15 days in the term concerned will be taken into account.

2- Initial registration fee for new pupils (DPI)

The initial registration fee (DPI) is a fee charged to all pupils when they register at the Lycée Français Charles de Gaulle de Londres . Please note that the DPI :

- Is due upon receiving an offer of a place

- Is strictly non-refundable and non-deductible (even if the pupil cannot be present at the School, no matter the circumstances)
- Will only guarantee the place so long as the child joins the School on the starting date proposed by the School. Beyond that date, the offer of a place will be cancelled, the pupil will lose his/her place at the School.
- The DPI is due again in the event of a new registration request, including for requests to reenroll alumni, and including in the event of a new registration request within the same school year.

3- **Payment of an advance for re-enrolment**

To confirm the re-enrolment of their child or children for the following school year, legal guardians will have to pay an amount in the form of an advance on the 1st term school fees invoice for the following school year. The amount of such advance will be covered by a decision of the School's Headteacher. The advance is payable each year, per pupil, by 28 February at the latest.

This advance will be deducted from the invoice for the 1st term school fees of the following school year.

If the advance for a pupil remains unpaid by 28 February, such pupil will be removed from the School roll for the next school year.

The advance per pupil is non refundable and retained by the School, except:

- In the event that the School is notified in writing and receives a departure form (*fiche de départ*) by 15 May of the current year that the pupil will be leaving the School. The advance will then be refunded before the end of the school year (subject to the payment of amounts owed by the legal guardians in full).
- If the grades obtained in GCSE exams have not permitted the re-enrolment of the pupil in the British Section of the School. The pupil's family must submit a refund request by email to the *Recettes* department before September 30, accompanied by a completed departure form. The advance will then be refunded, subject to the payment of amounts owed by the legal guardians in full.

If after the re-enrolment campaign (ending February 28), a family changes its mind and wishes to re-enroll their child for the following school year, the family should contact the admissions (*inscriptions*) department. If an available place is confirmed, the family must pay the advance within 5 working days.

The re-enrolment of a pupil will only be final and validated if all the sums due for the current school year are paid no later than June 30 and the payment of the advance has been made.

4- **Payment of invoices schedule and steps undertaken in the event of non-payment**

The School issues invoices for school fees and school meals including the name of the relevant pupil at the start of each term. Invoices are accessible on a dedicated space on the Skolengo platform, whose location is reminded at the beginning of each term by an email sent to the pupil's legal guardians, whose details have been recorded during registration.

If an invoice has not been paid by the applicable deadline, reminder notifications are sent to the pupil's legal guardians, whose details have been recorded as such during registration. First and second reminders are sent by email; the third reminder is sent by email and/or registered mail.

- a. Dispatch of individual invoices (first month of the term: September, January, April)
- b. Dispatch of a first reminder by email should the allocated payment window elapse
- c. Dispatch of a second reminder by email if payment is still due following the first reminder
- d. The School reserves the right to dispatch a third reminder by email and/or registered mail if payment is still due following the second reminder
- e. If payment is still due after the applicable deadline following the third reminder, the debt recovery phase becomes contentious and may be transmitted to a third party (including but not limited to a bailiff, *avocat* or

solicitor) so as to recover the debt by any legal means. The debtor will be responsible for the full cost of the debt recovery process.

In accordance with AEFE *circulaire* N. 001088 of 16 March 2015, in addition to the above-mentioned legal proceedings, the non-payment of invoices before the end of each term may result in the exclusion of the pupil from the School. If the payment is not made by the end of the school year, the Proviseur(e) is allowed to not re-enroll the pupil for the following school year.

5- Payment method

Payments to the School must be made in Pound Sterling to the Finance Department of the School (*service des recettes*) by bank transfer, or Childcare Voucher/ tax-free payment (**only** when in compliance with the conditions specified in the applicable British regulations) before the payment deadline on the invoice.

The replacement of canteen cards, access cards, correspondence booklets; the payment of school trips, GCSE and A levels exams, Duke of Edinburgh Awards, preparation fees for Sciences Po admission tests, applications to American universities, the top-up of staff canteen cards, and other charges or fees will be made exclusively through the PARENTPAY payment platform.

Notwithstanding any agreement with a third party (such as their employer) to settle invoices issued by the School, **the legal guardians of a pupil are individually and jointly responsible for the payment in full of amounts due to the School.** When invoices are paid by their employer, legal guardians must ensure that invoices are passed onto the right person and that payment has been made. Legal guardians are and remain the sole contact of the School.
