

LYCEE FRANCAIS CHARLES DE GAULLE– SCHOOL YEAR 2025-2026

Acceptable use of the School's ICT facilities and internet by primary pupils: agreement for pupils and parents/carers

Name of pupil:

Class:

When I use the School's ICT facilities (like computers and equipment) and go on the internet in School, I will not:

- Use them without asking a teacher first, or without a teacher in the room with me
- Use them to break School rules
- Go on any inappropriate websites
- Use chat rooms
- Open any attachments in emails, or click any links in emails, without checking with a teacher first
- Use mean or rude language when talking to other people online or in emails
- Send any photos, videos or livestreams of people (including me) who aren't wearing all of their clothes
- Share my password with others or log in using someone else's name or password
- Bully other people
- Use artificial intelligence (AI) chatbots, such as ChatGPT or Google Bard, to create images or write for me, and then submit it as my own work

I understand that the School will check the websites I visit and how I use the School's computers and equipment. This is so that the School can help keep pupils safe and make sure they are following the rules.

I will tell a teacher or a member of staff I know immediately if I find anything on a School computer or online that upsets me, or that I know is mean or wrong.

I will always be responsible when they use the School's ICT systems and internet.

I understand that the School can discipline me if I do certain unacceptable things online, even if I am not in School when I do them.
