HEALTH : Treatment and school meal

If your child suffers from health problems that evolve over a long period and may require treatment or care at school, **it is your responsibility** to request a PAI - **Projet d'Accueil Individualisé** (Document "PAI" tabs : Information for families").

At the request of parents before the start of the school year or in the very first days, the PAI will be set. A prescription with a medical certificate of less than one year written by a specialist will then be mandatory and essential for the P.A.I.

The possible treatment must be provided in duplicate.

TEACHERS ARE NOT AUTHORISED WITHOUT THIS DOCUMENT TO ADMINISTER MEDICINES. CHILDREN CANNOT HAVE A PACKED LUNCH WITHOUT THIS DOCUMENT.

Each day at the self service, students have the choice between three starters, three main courses and three desserts. The menus are available on the Lycée's website and are displayed in the canteen. Allergens are specified.

For pupils in PS-MS-GS-CP

I would like my child to benefit from a specific diet, apart from cases of allergies which must be the subject of a P.A.I (see the information for families on the PAI on the school's website tab " Documents")
